Serial No.: 10/655,717

Docket No.: K-C 19,188

REMARKS

The paragraph at page 12, lines 9-22 has been amended to recite that the adhesive composition includes the base polymer in an amount between about 2% and about 20% by weight of the composition, thereby correcting a typographical error in the specification. This amendment is supported by original Claim 13.

No new matter has been added. Entry of the amendment is respectfully requested.

Respectfully submitted,

Maxwell J. Petersen
